Learn about
Operation Rx:
www.OperationRx.com

Purpose:

This course will describe the relationship between prescription opioid related death and prescribing tendencies, how the prescribing community can engage in more effective prescribing practices for acute pain care management, ultimately preventing the misuse and abuse of opioid analgesics within a clinical practice setting. Resources will be provided to support prescribing best practices and CDC guidelines related to opioid treatment for pain management.

Presenters:

Personalizing Recovery - Andrew Brown, BA, CPRM

MAPS: Updates & Opportunities - Kim Gaedeke, Acting Deputy Director, LARA; Haley Winans, Analyst, Michigan Automated Prescription System

The Role of Acute Care in the Opioid Epidemic - Chad M. Brummett, MD, Co-Director, Michigan Opioid Prescribing Engagement Network (Michigan OPEN), Associate Professor of Anesthesiology, University of Michigan; Michael J. Englesbe, MD, Co-Director, Michigan Opioid Prescribing Engagement Network (Michigan OPEN), Professor of Surgery, University of Michigan

CDC Guideline for Prescribing Opioids - Bret Bielawski DO, FACP, Staff Member, William Beaumont Hospital, Board Member, Families Against Narcotics

Objectives:

- Define risk factors for potential misuse and abuse of prescribed opioid medications.
- Improve prescribing tendencies as recommended by best practices and clinical guidelines.
- Ensure patients have access to safer, more effective pain management treatment options while reducing the risk of opioid use disorder, overdose, and death.
- Describe the updated Michigan Automated Prescribing System (MAPS), including the usefulness of it as a tool for prescribers and dispensers when assessing patient risk to prevent drug abuse and its ability to mitigate this risk at the prescriber, pharmacy, and patient levels.

Credits: Approval pending for 3 CME, provided by Henry Ford Health System.

Faculty Planning Committee: Operation Rx Executive Committee

Federal, State and local funding has been provided through Macomb County Community Mental Health/Office of Substance Abuse to support project costs.

ACCREDITATION STATEMENT: Henry Ford Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT: Henry Ford Health System designates this live activity for a maximum of 3 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE STATEMENT: In compliance with the ACCME Standards for Commercial Support, all individuals in a position to control/influence the content of this activity are required to disclose relevant financial interests of their own or spouse or partners with any commercial interests and/or non-FDA approved use of a drug or a device that is included in the presentation.

COMMUNITY IN CRISIS MACOMB COUNTY'S RESPONSE TO THE OPIOID EPIDEMIC

Wednesday, Dec. 13, 2017

Continental breakfast: 8:30 a.m.

Conference: 9 a.m. - 3 p.m. (lunch provided)

Macomb Intermediate School District

44001 Garfield Rd., Clinton Twp. (south of Hall Rd., west side of Garfield)
Rooms 100, A, B & C - south side of the building (the atrium)

Continuing Education Units pending for SW, MCBAP, MCOLEs, SCECHs

NOTE: \$10 fee for SCECHs and social work contact hours

OVERVIEW:

Prescription drug abuse continues to plague our region. This conference will provide awareness and education on statistics, trends, outcomes, and opportunities for community members to become active in addressing opiate abuse throughout Macomb County.

JOIN EXPERT PRESENTERS FOR A CONVERSATION ABOUT:

- Trends in drug trafficking and drug enforcement in Macomb County and Michigan, including the High Intensity Drug Trafficking Area program (HIDTA)
- Opioid use and abuse amongst youth
- Community-based programs in Macomb County related to the opioid epidemic
- Former NFL football player Randy Grimes's recovery story
- Guidelines for safe prescribing

Panel discussion to follow the afternoon portion of the conference with an opportunity for audience members to ask questions.

REGISTRATION:

No fee. Registration required. Please [click here](#) to register on the MISD website or call Heather at (586) 228-3493.
