

Hi there!

I'm Paul Abbott the president of our family support group, along with our vice president Jennifer Vanderdonckt. We would really be thrilled if you were able to join us at our next family support meeting, which is taking place on **Thursday September 24**. It will run from **6.30 to 8.30pm**. The meeting will be held at:

Macomb County Health Department, Southeast Center
25401 Harper Ave
St. Clair Shores, MI 48081

As we are in the process of growing this group, the meeting agenda is going to be pretty informal. In order for us to help all families taking part in this support group and for us to grow, we need help from everyone involved. Therefore, we need your input and feedback please, we would greatly appreciate your assistance with topics or anything that you would like to discuss during a meeting. Please reach out to Jennifer or myself with topics to discuss. If you give us a couple days prior to the meeting we can try and have an answer to discuss during the meeting. Also, we would really appreciate if you can spread the word to other families that you think would benefit from joining our group.

Please let us know if you are planning on attending along with a head count.

We are looking at having our next meeting on **October 29** so save the date and spread the word.

We are looking forward to meeting you!!!
