Draw Your Comfort/Activity Item

A comfort/activity item is something that does at least one of these things:

- Makes you feel comfortable or secure
- Makes you think of happy thoughts or memories
- Distracts you by giving you something else to do or focus on

Blankets, stuffed animals, small picture albums, books, toys, and games are examples, but you might think of something different! Remember that it shouldn't need batteries or electricity. Use the space below to draw your comfort/activity item ideas!
